ARTISAN MADE

Each of our Artisan Wood products is handmade by a team of experienced craftsmen. The products receive a smooth finish to highlight the wood's unique tones and varied woodgrain patterns, making each piece unique.

HANDCRAFTED

The Heritage Lace Artisan Wood collection is handcrafted from mango and acacia wood. This exquisite collection brings fine wooden entertaining essentials to the forefront. Each piece is accented with hand detailing like our popular hand hammered and hand scraped finishes.

EASY-CARE

All wood products receive an easy-care finish. A quick wipe down with a fresh, damp cloth will keep your board clean and ready to use next time. For additional care, we recommend using a food safe mineral oil to give your board a long-lasting finish.

FOOD SAFE

Each Artisan Wood product is crafted of mango and acacia wood. Its blend of natural raw materials is perfect for food as the wood is naturally dense and resists moisture. Ideal for serving cheese, veggies, fruits, and other appetizers for your next gathering.

EXCEPTIONAL QUALITY

No detail goes unnoticed when producing a one-of-a-kind product for our customers. Our goal is to provide the best quality product to our customers. Each item is tested for quality craftsmanship to ensure you receive the best of the best.

SUSTAINABLE

Whether it be wood or bamboo, all our Artisan products are sustainably-sourced from the finest materials. Our promise is to provide products that are both beautiful and functional... with an earth-friendly provenance.

Timeless. Versatile. Beautiful.
