## ordering & shipping

We welcome your orders to Heritage Customer Service:

Phone 888-522-3487 toll-free, or  
641-628-4949

Toll-free fax 800-522-3487

Mail P.O. Box 328, Pella, IA 50219

Email [inquire@heritagelace.net](mailto:inquire@heritagelace.net)

Your sales representative will help you write an order for your initial inventory:

- Opening orders of less than \$250 at dealer cost require payment by check, credit card or C.O.D.
- All accounts new to Heritage require a signed Heritage Lace Account Information Sheet.
- All orders are subject to acceptance by Heritage Lace.
- Minimum reorder is \$50 at dealer cost. A \$5 service charge applies to orders under \$50.

## shipping within the u.s.

Unless special shipping is requested, in-stock items ordinarily ship by FedEx or UPS within three business days of order receipt. There is a handling charge of \$1.50 for each box shipped. The carrier-imposed C.O.D. charges will be invoiced to the customer. Back orders are shipped at the customer's expense.

## billing and shipping to canada

Prices will be invoiced in U.S. dollars. The Heritage invoice will itemize GST, freight including brokerage fees, and duty on non-NAFTA goods, if applicable.

Canadian shipments are routed through Russell A. Farrow Ltd., LaSalle, Ontario, our customs broker and forwarding agent. Orders ship from Pella, Iowa, to Plymouth Township, Michigan. Then, following customs clearance in LaSalle, Russell A. Farrow forwards the shipment to the consignee.

## backorders

Backorders totaling \$50.00 or more will be held and shipped without notice. Freight will be assessed on all backordered items. Backorders under \$50.00 will automatically be cancelled. If you would like to reorder the canceled items, please call customer service at 888-522-3487.

## if you need to return items

1. Only returns authorized by Heritage Lace will be accepted. Please contact Customer Service for written authorization. Unauthorized returns will be refused.
  - All Heritage Lace products authorized for return must be in original form and packaging.
  - All bolt lace authorized for return must be in original form and quantity -- uncut and the same yardage as sent.
  - Because they are not standard sizes, custom-cut, custom-sewn and special orders cannot be returned.
2. All returns for credit are subject to a 20% restocking charge.
3. Report all shipping discrepancies to Customer Service within 7 days. No returns will be accepted after 30 days from shipping date.
4. Canadian returns only: By ordering goods from Heritage Lace, the retailer thereby waives and transfers to Heritage Lace their right to receive the actual amount of tax and duty refund from Revenue Canada since Heritage Lace is the importer of record. GST will be reimbursed directly to the retailer by Heritage Lace.

## home textiles

The True Blue collection is an artisanal offering. The inky blue fabrics are block printed by hand with intricately hand-carved blocks, then pieced together to create patchwork fronts that reverse to solid indigo backs. Every piece is quilted entirely by hand with the table pieces having hand stitched edges.

# European Macramé

OLD WORLD LACE

An imported product of the highest quality, Heritage European Macramé has a distinctive elegance all its own.

### Ring Lace

—with rings. Hang from curtain rods as valance or tier.

### Trim Lace

—no rings (NR). Sewn to sheer fabric as trim for sheers with lace.

## sell macramé two profitable ways

### By the Yard

Cut to size in your store from bolts of lace...  
*at significant savings.*

### By the Piece

Heritage cuts to size in half-yard increments...  
*at no extra cost.*

**Save 10%** on 28 yard bolts; yardage may vary slightly.

Custom-cut and custom-sewn items cannot be returned.

The vintage look of macramé will enhance almost any setting; it's especially beautiful sewn to bouclé sheer material tiers or panels as sheers with lace. They can be sized to fit even the largest windows.

Participate in this profitable custom program with two easy steps:

#### STEP 1

**MEASURE.** If the curtain will hang inside the window frame on a tension rod, measure width and length **inside** the window frame. If it will hang outside the window frame on a projection rod, measure **outside**, including wood trim, and include the "return" — the distance the rod projects into the room at both sides.

#### STEP 2

Call Customer Service at 888.522.3487. Provide the simple window information requested and your order is on its way...Heritage does the rest.
