- Opening orders of less than \$250 at dealer cost require payment by check, credit card or C.O.D.
- All accounts new to Heritage require a signed Heritage Lace Account Information Sheet.
- All orders are subject to acceptance by Heritage Lace.
- Minimum reorder is \$50 at dealer cost. A \$5 service charge applies to orders under \$50.

shipping within the u.s.

Unless special shipping is requested, in-stock items ordinarily ship by FedEx or UPS within three business days of order receipt. There is a handling charge of \$1.50 for each box shipped. The carrier-imposed C.O.D. charges will be invoiced to the customer. Back orders are shipped at the customer's expense.

billing and shipping to canada

Prices will be invoiced in U.S. dollars. The Heritage invoice will itemize GST, freight including brokerage fees, and duty on non-NAFTA goods, if applicable.

Canadian shipments are routed through Russell A. Farrow Ltd., LaSalle, Ontario, our customs broker and forwarding agent. Orders ship from Pella, Iowa, to Plymouth Township, Michigan. Then, following customs clearance in LaSalle, Russell A. Farrow forwards the shipment to the consignee.

backorders

Backorders totaling \$50.00 or more will be held and shipped without notice. Freight will be assessed on all backordered items. Backorders under \$50.00 will automatically be cancelled. If you would like to reorder the canceled items, please call customer service at 888-522-3487.

if you need to return items

1. Only returns authorized by Heritage Lace will be accepted. Please contact Customer Service for written authorization. Unauthorized returns will be refused.
 - All Heritage Lace products authorized for return must be in original form and packaging.
 - All bolt lace authorized for return must be in original form and quantity -- uncut and the same yardage as sent.
 - Because they are not standard sizes, custom-cut, custom-sewn and special orders cannot be returned.
2. All returns for credit are subject to a 20% restocking charge.
3. Report all shipping discrepancies to Customer Service within 7 days. No returns will be accepted after 30 days from shipping date.
4. Canadian returns only: By ordering goods from Heritage Lace, the retailer thereby waives and transfers to Heritage Lace their right to receive the actual amount of tax and duty refund from Revenue Canada since Heritage Lace is the importer of record. GST will be reimbursed directly to the retailer by Heritage Lace.
